## **NBS** Cooler Door Hasp

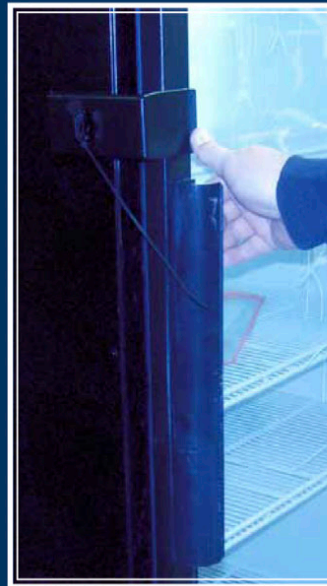

The NBS Cooler Door Hasp provides an excellent way to secure a cooler at a special event or in an account where units are not enclosed in a secure environment. Now you can provide your accounts with a low cost security device that is effective and efficient!

### No More Damaged Doors!

CURRENT LOCK SYSTEM

NBS COOLER HASP

The NBS Cooler Hasp mounts easily onto the door side of the cooler and does not require any holes to be drilled into the door assembly. The "Hasp" also can accommodate a standard size lock, so your customers can use a combination or pad lock from an existing source or pick one up from the hardware store!

Please contact your NBS sales representative by calling 800-325-9021 for more information or to place an order today!
