THE LATEST NEWS ON PEPSI GRAPHICS AND VENDING PARTS

Special Edition: BIB Line Markers

The BIB labeling system is an innovative way to provide a clean professional look to all fountain installations. The BIB line labeling system provides the numerous benefits to both the installer and the customer. Please call a NBS Sales Representative for pricing and more information.

- Professional & consistent product line labeling
- Customers can easily identify replacement box
- Provides complete labeling solution
- Service technicians can easily identify product on-line
- Syrup pump easily identified to prevent crossover flavors
- Reduce service calls from improper BIB line connections

Shown above-2" Clamp Fits tightly on Inlet Tubing without restricting product flow

Each sheet contains labels for the following components:

BIB Line Label Clamps

BIB Inlet Tubing Clamp Label

BIB Rack Label

Syrup Pump Label

Please contact your NBS sales representative by calling 800-325-9021 for more information or to place an order today!

THANK YOU FOR YOUR BUSINESS!
